COVID-19 Protocols at Site Locations

**These protocols are subject to change at each site location*

Upstate Location:

Converse University

To ensure a safe environment for our students, employees, and guests, all visitors should be symptom free prior to coming onto campus. Guests should continue to monitor their symptoms and potential close contact each day they are on site. If you are ill or have had a possible recent exposure, guests should notify the Converse host of the reason. Please visit this [link](#) for additional information.

Lowcountry Location:

Trident Technical College – Thornley Campus

Masking is optional on Trident Technical College's campuses and sites. As outlined by the CDC, individuals should consider masking based on their individual risk assessment and COVID-19 community levels, which can be found on the CDC website. Anyone wishing to wear a mask is welcome to do so.

Pee Dee Location:

Francis Marion University - Performing Arts Center Downtown

Masks are optional but are not required at Francis Marion University. Francis Marion University continues to monitor developments related to the spread of COVID-19, its treatment, and prevention. This includes monitoring case numbers and other data in the state, in our community, and on our campus. More information can be found at <https://www.fmarion.edu/covid19>.

Midlands Location:

Richland Two Institute of Innovation (R2i2)

Masks are optional but are not required at the Richland Two Institute of Innovation.
